Pumpkin Patches

Introducing Andover Fabrics new collection: Pumpkin Patch Plaids by Renée Nanneman
 Quilt designed and made by Becky Cogan, quilted by Freda Smith

Quilt finishes 70" x 91½"
 12 Pieced Blocks: 18" x 18"

This harvest quilt made with rusty oranges, fall greens, and soft browns – all in country plaid – will keep you cozy as the temperatures drop. The large blocks are made with simple nine-patches that are quick to make with strip-piecing methods. If you begin now, you may have time to make several quilts to give away at the holidays.

Cutting Directions

Note: A fat ¼th is an 18" x 20"-22" cut. Borders are cut the exact lengths required plus ¼" seam allowances. WOF designates the width of fabric from selvedge to selvedge (approximately 42" wide).

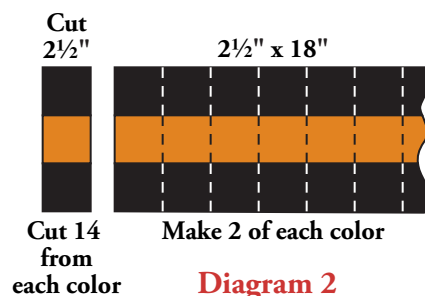

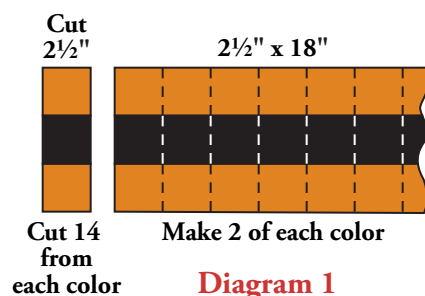

Fabrics A-L Cut (6) strips 2½" x 18" from each

Fabric M Cut (2) side borders 5" x 83", cut lengthwise
 Cut (2) top/bottom borders 5" x 70½", cut lengthwise
 Cut (3) sashes 4" x 61½", cut lengthwise
 Cut (8) sashes 4" x 18½", cut lengthwise
 Cut (72) strips 2½" x 18"
 Cut 9 strips 2½" x WOF for binding

Fabric N Cut (2) panels 39" x 100", pieced to fit quilt top with 4" overlap on all sides.

Making and Assembling the Quilt

- Referring to Diagram 1, sew 2 colored strips and 1 black strip together to make a pieced band. Press seam allowances toward the black strip. Make 2 bands like this with the same color. Sew 2 black strips and 1 colored strip together to make a band (Diagram 2). Make 2 bands like this. Cut each band into 7 segments each 2½" wide. Repeat with all 12 colors. You will have a total of 28 segments from each color.

- Join segments in the order shown to make dark and light nine patches. So that the segments “work out,” first make 4 dark nine patches and 4 light nine patches in each of the 12 colors. Then with the remaining segments, make a total of 6 more dark nine patches and 6 more light nine patches. There will be a few leftover pieced segments.

Pumpkin Patches Quilt

- Referring to the Block 1 Diagram, arrange 5 light nine patches and 4 dark nine patches into 3 rows, alternating nine patches as shown. Mix up the nine patches so that the same color doesn't appear twice in the same block. Join the rows. Make 6 blocks like this. Likewise, join 5 dark nine patches and 4 light nine patches to make Block 2. Make 6 like this.

Block 1 – Make 6

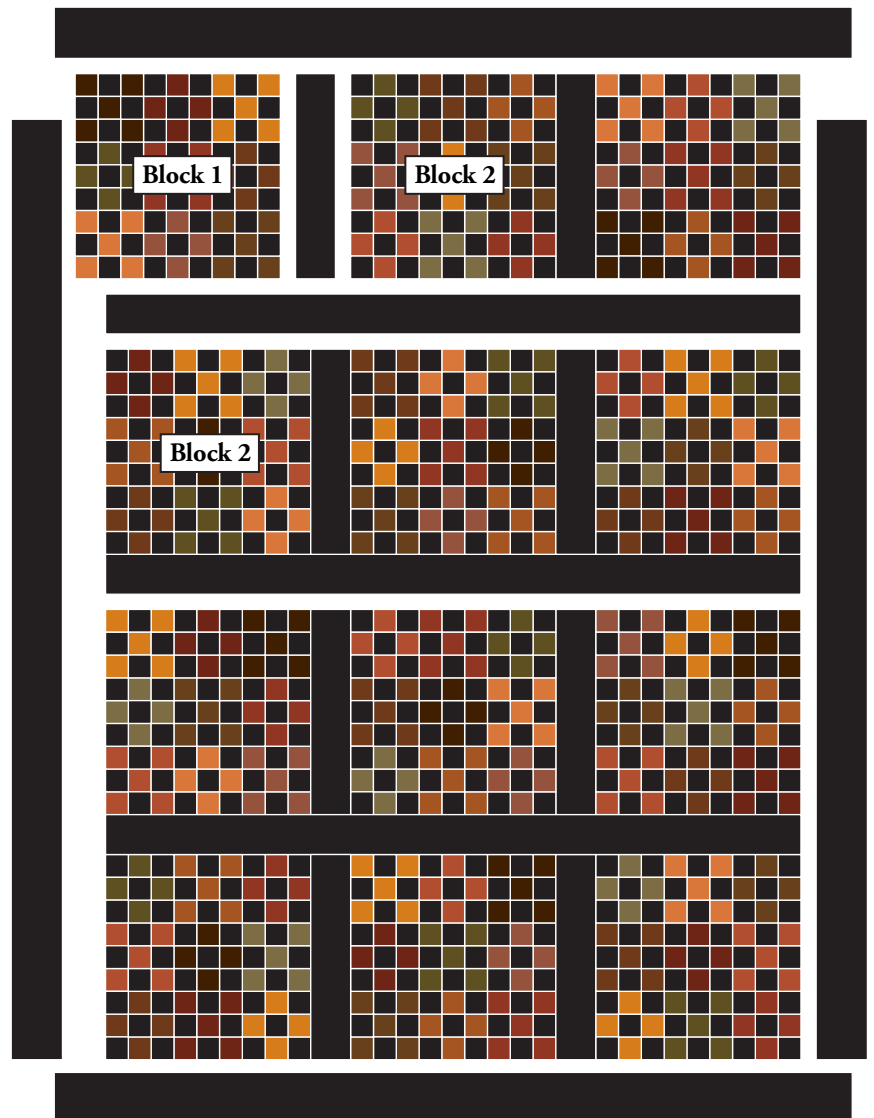

Block 2 – Make 6

- Refer to the Quilt Diagram. Join Block 1's, Block 2's, and the short black sashes into 4 rows, alternating the blocks as shown. Sew long black sashes between the rows.
- Sew the long black border strips to the sides. Sew short black borders to top and bottom.

Finishing the Quilt

- Layer the quilt with batting and backing and baste. Quilt in the ditch around borders and block patches. Quilt motifs of your choice in the sashes and border. Bind to finish the quilt.
