## Planning Information

Please refer to Cutting Diagram when cutting striped squares on the diagonal. It is important to cut all squares the same way in order to have the stripes follow each other around the block. All the fabrics in this quilt are flannel. Use flannel for your backing to ensure even shrinkage when washed.

## Piecing the Blocks and Borders

1. Stitch 2 golden brown half-square triangles to opposite sides of blue 6-1/2" square (Diagram A). Sew 2 golden brown half-square triangles to remaining sides of blue square to make pieced diamond. Make in quantities and colors shown.

2. Referring to Diagram B, stitch dark stripe half square triangles to opposite sides of pieced diamond. Sew dark stripe half-square triangles to remaining sides to make Pieced Block. Make in quantities and colors shown.

3. For side borders, sew together 2 brick red, 1 blue, 1 gray/green, and 1 black 6-1/2" x 12-1/2" rectangles (Diagram C). Make 2.

4. Referring to Diagram D, sew together black and brick 6-1/2" squares, 2 golden brown 2-1/2" x 6-1/2" strips, and 1 each of gray/green, brick, black, and blue 6-1/2" x 12-1/2" rectangles to make top border strip. In same manner, but substituting the blue and gray/green 6-1/2" squares for the black and brick ones, make bottom border strip.

5. Stitch together 2 golden brown 2-1/2" x 6-1/2" strips, brick and blue 2-1/2" squares, and golden brown 48-1/2" strip to make top inner border strip (Diagram E). In similar manner, substituting gray/green and black 2-1/2" squares for the brick and blue ones, make bottom inner border strip.
